Acting President: Donald Trump,

What I'm about to say is factual, in my writing, and the people I'm mentioning in my writing, will verify is too be factual. I'm president, owner, and creator, of the United States of America. This acting president Donald Trump, will verify too be factual, by viewing this information through the computer. I support every government with my reserves too every treasury in every government I created. I also, pay every staff member in every government, federal and states, salary from my personnel accounts. This is recorded as well. I filed legal papers too federal and states, personnel, from at the time of him being, acting president, Obama, on down in United States law enforcement, being that at that time acting president, Obama, was residing in my seat, and I'm his superior officer on down in United States law enforcement. Now it's acting president, Donald Trump residing in my seat. At that time acting president, Obama, was residing in my seat. And I haven't received a reply from none of those law enforcement entities as of this date.

Your MAGistrate, I receive Supplemental Security Income. I also, Supple too myself. I also, live in the shelter system that I own. I didn't receive my benefits for December of 2016, January of 2017, and February of 2017, the supervisor at my field offices stated that being that I live in the shelter system, the shelter owners are seeing too my every needs. That not a criteria of the government too governing those building under. It's an embezzelling scam going on in the Social Security offices throughout the five boroughs and Westchester County's. I called the social security fraud investigator (7) seven times at (1-800-269-6271), and I haven't received a call from them stating that a investigating will take places. Your MAGistrate, I would like a conference with you on this matter, I would like too speak with the five MAGistrate in Washington so we can at lease clear this all up.
